YOU TARZAN, ME JUGS!

We go ape over Margot's legendary mams!

THE drool-worthy star of Hollywood blockbuster *The Legend Of Tarzan* **Margot Robbie** has been caught baking her bosoms on a beach in Hawaii!

We'll try to ignore the fact that the 26-year-old Aussie was with her boyfriend, English director Tom Ackerley, and simply celebrate this new view of ROBBIE'S LOVE-BLOBBIES.

It's more than you'll see of the actress as Tarzan's love interest in the latest take on the Edgar Rice Burroughs classic.

But don't let that stop you watching the movie as there's plenty of beaut violence and lush jungle scenery.

Of course, you have to ask, would you rather see a hairless ape beating his chest or Margot BARING HERS?

ALICE DOES ASIA

EAST MEETS BREAS

Goodwin's gazongas slay 'em in Singapore!

NOT just content with DELIGHTING THE EYEBALLS of her British countrymen and her ex-colonial mates in Australia and New Zealand, glamma model **Alice Goodwin** has recently been wowing the good folk of Singapore, too.

The 30-year-old megaspunk travelled to our Asian neighbour to lend support to her footballer ▸

EAST MEETS BREAST

hubby Jermaine Pennant, currently plying his trade – as them commentators like to say – with top S-League side Tampines Rovers FC.

"Everyone's so friendly," Alice raved to a local reporter. "They say hello and shake your hand… so that's really nice."

Any wonder – the Singaporeans can't have had too many visits from famous UK pin-ups with soccer star husbands lately. It must have felt like they'd been paid a social call by Posh and Becks. Except with MUCH BIGGER TITS.

However, despite digging the place, 32FF AI made it clear she won't be leaving her Pommyland home anytime soon. And no, she isn't worried about the effect it'll have on her and Jerm's marriage.

"Our relationship's fine being apart," laughed the long-time *People* favourite. "It's quite nice to actually have a break sometimes."

As for how Mr Pennant feels about his sex-on-legs missus living on the other side of the world, we imagine he's probably going out of his frickin' brain.

'I'VE DONE THINGS IN PUBLIC THAT ARE TOO RUDE TO PRINT!'

But the dude's gotta go where the work is, and Alice's gotta do …whatever the hell she wants.

According to *The Straits Times*, the champion top-dropper is "expected to make frequent trips" back to Singapore throughout the nine-month footy season, presumably so her fella's balls don't get TOO BLUE.

Given that it's a 22,000km round trip from Blighty, those are gonna be some expensive booty calls!

OPENING NUMBER

SEPPO songbird Selena Gomez took five minutes out of her world-conquering Revival Tour recently to meet'n'greet a fan. No doubt that lucky person's day was made. Ours certainly was when we noticed the prominent lippage Sel was sporting in her leotard. Take a tip, ladies: the jumper-around-the-waist trick won't always help you out of an…er, tight spot.

SPORTING STRIP

NO-JERSEY GIRLS

HAS it really been a year since *ESPN* mag's last nude Yank athlete-filled "Body Issue"? Fucked if we know, but that won't stop us perving on the latest edition! It includes the likes of 23-year-old No. 1 ranked surfer **Courtney Conlogue** (below) and 26-year-old WNBA basketballer **Elena Dell Donne** (bottom) . And now, our customary warning: before you rush out to buy a copy, be aware it also features unclad blokes, such as UFC superstar **Conor McGregor** (cover inset).

KINGDOM YUM

MIAMI-BORN actress/activist **Lina Esco**, 31, launched the beaut Free The Nipple movement and has continued her battle to make female toplessness as socially acceptable as the male equivalent. Here she is fighting the good fight in a recent episode of mixed martial arts drama *Kingdom* (screened in Oz on Foxtel's FX). Never stop living free, Lina!

ESCO'S EGGS

GRIEF STRICKEN

PURDY SANCHEZ

THE clip for Bastille's new song *Good Grief* is a tad hard to follow... Something to do with a dude on a payphone, a bank robbery, teddy bears, a house fire and rollerskating chicks. Fortunately, it's saved by the perfect breasts of model **Clara Sanchez**, which at one point tower over a street scene. Those aren't hard to follow at all. We'd follow them anywhere.

SHARING THE LOVE

The freshest flesh on celeb social media

PEACE, love and understanding? Trainer/fitness module **Katya Elise Henry** prefers peace, iceblocks and a killer butt.

CHAMPION Oz actrine **Caitlin Stasey** posted this on Instagram without a caption. We'll write one for her: fiiiiiine art!

RANK BANK

HADIDDIES!

SENSIBLY naughty Bella Hadid steps out in Noo Yawk with a cardigan over her shoulders and her RASPBERRY RIPPLES on view. The 19-year-old recently made Models.com's list of the Top 50 professional clothes-wearers, so she's probably not short of a quid. We wouldn't be surprised if her designer purse is as full of money as her tight, sheer top is full of WIN.

EM-BOLDENED

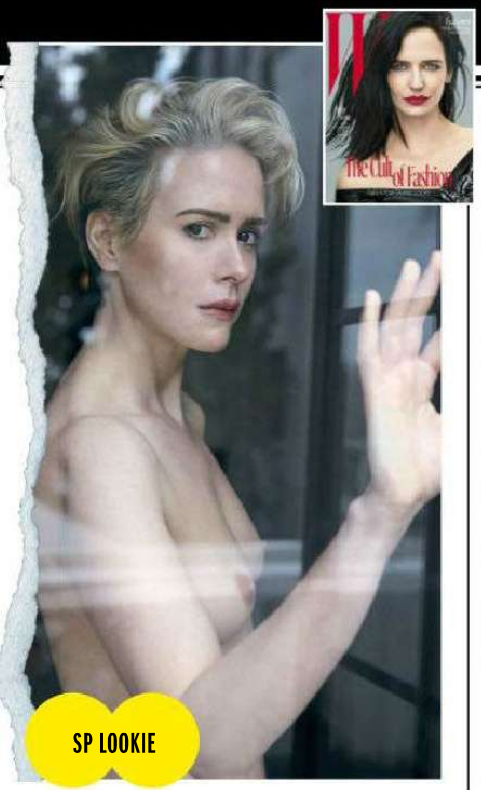
BAREBACK OF BEYOND

"A WOMAN can be seeking attention and also make a statement. They don't need to be mutually exclusive," model **Emily Ratajkowski** tells author Naomi Wolf in an interview in the August ish of US *Harper's Bazaar*. Too right. We respect Em's right to own her sexuality without criticism from internet trolls – just as we appreciate her right to dazzle us with her starkers bod in the accompanying Mona Kuhn snaps.

HAVE A PERV

BJERRE NAKED

DANISH fillum *Voyeur* is so shiny and new, we don't even have any plot details. We do, however, have these bare-all grabs of star **Bolette Engstrom Bjerre**. Feel free to invent your own story about what's happening in the pics. It might involve a mysterious murder with occult elements at a UN conference. Or the search for a missing racehorse with links to a disgraced mob boss. Or just gawking at some sweet tits and pussy.



HORROR SHOW-OFF

ACTORETTE **Sarah Paulson** is an interesting character. Firstly, she's played half a dozen different parts in the same television series (*American Horror Story*). Secondly, the 41-year-old stunna has a 73-year-old girlfriend (Holland Taylor). And thirdly, she's just served up photographer Mona Kuhn and the readers of *W* magazine a pose that's simultaneously spooky and hot as hell. Our cocks are baffled!

ADRIAN LEE RAY

LAST issue, we raved about Yank reality porn show *The Sex Factor*, now screening at sexfactor.com. At the time, we felt it more beneficial to society to concentrate on the judging panel of XXX legends. However, we'd now like to focus on one of the contestants, namely Adrian Lee Ray. Ade lives in Vegas, works in the tourism industry and her fave food is pizza. Also, if she hasn't got it inked or pierced, it's not worth worrying about!

PUBLIC FUN

‘I JUST WANT TO FUCK UNTIL I’M AN OLD LADY’

Wicked LADY

X-rated Katrina's a slut and proud of it!

PHOTOS BY WICKED PICTURES

GETTING "Slut" tattooed on your thigh isn't some spur-of-the-moment decision made when off ya face after a big night on the turps. No, it's a PUBLIC DECLARATION OF INTENT – **Katrina Jade**'s way of saying, "This is me! Deal with it or fucking get out of my way!" We declined to step aside and, instead, chatted pleasantly with the exhibitionist star of Wicked Pictures' new fillum ***Dark Secrets***.

HOW would you describe yourself, Katrina?
"I'm a happily married slut wife, who's happy getting fucked and filled up with cum on and off camera."
Wow! No mucking about there, mate. How's the porn biz treating you?
"This is my dream job…a safe and controlled environment where I get paid to orgasm."
You're strapped to a rocket and heading to porno super-fame. Can you pinpoint why?
"Haha. I just love fucking and I hope it shows. I don't have a 'no' list – I'll do anyone and enjoy 1000% of it. Just shut up, fuck me and cum wherever you want."
We've seen the pix on Twitter, so we know you're into flashing and public sex. Have you ever been busted?
"I was sucking my hubby Nigel Dictator's cock once in a laundromat and a 30+ lady walked in, laughed and said, 'Oh nice…don't mind me' so I kept going. I swallowed his cum, then we all did our laundry together."
He's 13 years older than you. Are you into fossil fucking?
"The oldest guy I've been with off camera was …I dunno…he was pretty damn old. I want to say 50s or 60s? But it wasn't like a nasty old man…he was classy, active, he was on his supplements. He was doing good."
Got a dream scene you wanna film?
"I'm happy whenever I'm getting cum in my pussy, so a 10-guy creampie gang bang."
What's the immediate future hold for Katrina Jade?
"I just want to fuck until I'm an old lady, on and off camera."
Any last words to our readers?
"Keep jerking off to me and I might just show up at your house and let you surprise fuck me someday!"

For more rude public nudity pics and creampie snaps, follow Katrina on Twitter (@kj_fetishmodel).

SUPER-FUCKERS

WITH *Supergirl* currently enjoying small-screen success it's no surprise that Axel Braun has jumped on the bandwagon with a camera in one hand and his Euro-prick in the other.

The end result is his latest superhero parody ***Supergirl XXX***, starring **Carter Cruise** as Superman's cock-hungry Kryptonian super-cousin.

"She absolutely owns this character," said Braun between strokes. "Her commanding screen presence and incredible acting range... are topped by two absolutely explosive sexual performances.

"Carter blew everybody away with her intensity, dedication and sheer awesomeness."

OK, pal. Calm down.

The plot sees Metropolis being threatened by evil alien Brainiac, but Clark Kent is helpless 'cos he has amnesia and can't remember he's the Man Of Steel. What a maroon.

It's up to Supergirl to soar to the rescue and face the donkey-dicked villain in a very sweaty CLIMAX.

But is Brainiac really that evil?

The guy's knob is GREEN, yet he's considerate enough to wear a condom whle shagging Supergirl. That's pretty nice for a complete and utter bastard.

Supergirl's only weakness is Kryptonite... and big dicks

A rude awakening

A WANNABE porn star was so distracted by her "erotic thoughts" that she CRASHED HER CAR IN A DITCH!

Colombian pin-up **Esperanza Gomez** wasn't hurt in the accident, although she made her male rescuers ACHE IN THE GROINAL REGION when they later retrieved her and the battered vehicle.

"I just came off the road," the 32-year-old spunk later said. "This happens to me for going around having erotic dreams."

Espy, who plans to film her first hardcore feature next month, added, "Thank God I'm safe and sound."

We say thank God for the gal's store-bought BUILT-IN AIRBAGS!

KOALA BARES

AUSSIE Nikki Erickson came home recently to find a koala had broken in and made a beeline for her stripping pole. Once there it enjoyed a few erotic gyrations. Naturally, she filmed the critter's sexy routine and posted it online. An enthusiastic viewer described the koala's efforts as "one of the most beautiful pole performances" she'd ever seen. She needs to hit the strip clubs more.

FUCK-OFF FACTS

- **The world's biggest MMA organisation, UFC, was nearly bankrupt in 2001 when it was purchased for US$2 million by Las Vegas casino owners Frank and Lorenzo Fertitta. Last month, the brothers sold UFC for a whopping US$4 billion!**
- **Parrots can live up to 95 years. The world's oldest parrot is Major Mitchell's cockatoo Cookie, who popped out of his egg on June 30, 1933. He now lives at Brookfield Zoo, near Chicago.**

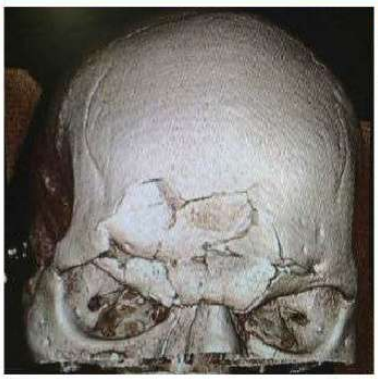
THE BUBBLE BURSTS

IN A new sport where only HARD CUNTS need apply, grown men climb into inflatable bubbles, then get rolled into a bullring. Once there, a raging half ton of beef tries to gore their way through the bubble in an attempt to turn the man inside into meaty pulp. The new "sport" was introduced at a recent rodeo in Minnesota. One limping competitor later described being battered from one end of the arena to another by a pissed-off bull as "painful".

KEEPING IT WHEEL

WE CAN only imagine the convo these stuntmen had before they went out to entertain punters at the Lambeth Country Show in England. "I'm gonna run over you on me motorbike while you hold a board." "You what..?" "Don't worry, nothing will go wrong." "OK, I totally trust you." "That's nice. The last seven partners I had didn't say that."

Who will stop this vicious cycle?



SMACK! CRACK!

REMEMBER that time you dinged your Datsun Sunny against the cement pillar at Woolies? Well, imagine the car is Evangelista Santos' skull and the pillar is Pommy fighter Michael Page's knee. The poor Brazilian copped the devastating blow in a recent bout in London. UFC commentator Joe Rogan says it's the worst injury he's ever seen in MMA. Give this dude a Panadol!

BIRD BRAIN

A POM has legally changed his name to Ted Parrotman after spending SQUILLIONS on tattoos, sub-dermal implants and plastic surgery – including cutting off his FUCKING EARS – to look like A PARROT.

WTF?!

BEAUTIES & THE BEASTS

These blokes are DEFINITELY punching above their weights

THROUGHOUT recorded history, people have looked at an ugly bastard with a sexy missus hanging off his arm and pondered the age-old question: "Jeez, he must be LOADED to score a chick THAT HOT."

Which is an unfair and cruel assumption to make, we reckon.

Maybe it was their sparkling personalities that drew stunnas to such BEAUTY-CHALLENGED BOOFHEADS as Donald Trump, Mick Jagger, James Packer and William McMahon.

In this hard-hitting journalistic investigation, we examine the phenomenon of HATCHET-FACED MEN AND THE GORGEOUS GALS WHO INEXPLICABLY LOVE THEM.

And stare at some NAKED TITS in the process. Just hand us our Walkley Award now, alright?

Shane Warne & Liz Hurley

WARNEY, you legend. You married (and divorced) spunky Simone, shagged a bunch of random spunks, then hooked up with lusty actrine Elizabeth for a while. Not bad for a guy with a face like A DROPPED PIE, eh?

I'm actually smiling

Marko Jarić & Adriana Lima

THE moneyed-up ex-NBA basketballer threw his moolah around to land red-hot chicky-babe Adriana. Sadly, their eight-year relationship ended earlier this year. Bad news for Marko but FUCKING TOP NEWS for horny blokes like us!

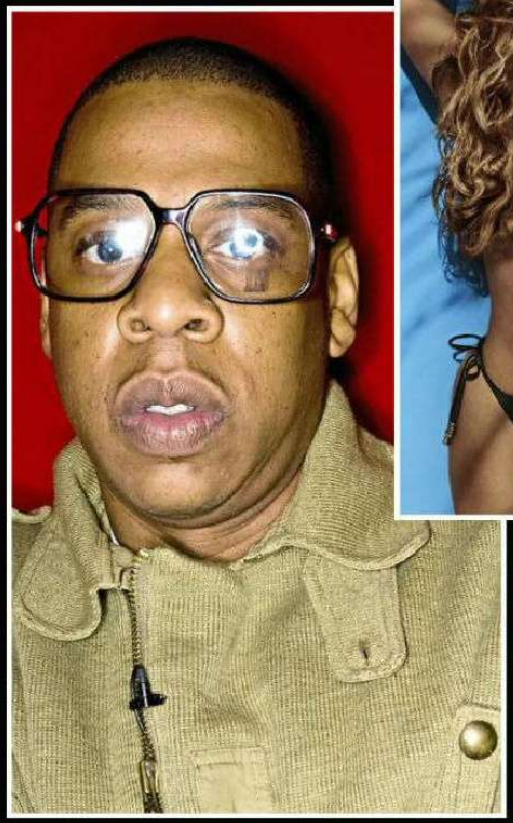
Sasha Baron Cohen & Isla Fisher

HE'S a genius for creating such gut-busting characters as Ali G, Borat and Carl from *Grimsby*, but the British comedian deserves an award for braininess for snagging Aussie thespian Isla and knocking her up not once, but TWICE.

Mickey Rourke & Anastassija Makarenko

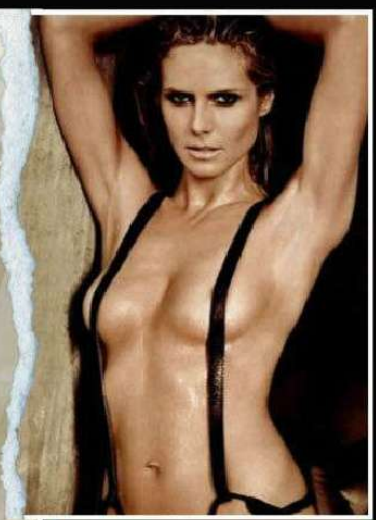
MICKEY used to be handsome...before being repeatedly punched in the face as A CRAP BOXER, followed by botched plastic surgeries. But he's still managed to find true love for the past seven years with Russian model Ana. Yes, readers, love IS blind.

WTF?!



Jay Z & Beyoncé

YOU dun goofed, Jay Z. You may be uber-rich, but if you cheat on Beyoncé, then the mega-talented singer's gonna call out your UGLY ASS in the most public way possible, like on her new album *Lemonade*, which is all about infidelity. Ouch!



Flavio Briatore & Heidi Klum

IN 2003, the then-52-year-old Italian businessman and Formula One bigwig stuck his greasy dick in Heidi's hoo-ha and got her UP THE DUFF. This gave the German model/television host a taste for kiddies, thereby ruining her once-tight vagina forever! Fuck you, Flavio!

Geoffrey & Brynne Edelsten

GIVE wrinkly old Geoffrey his due – the eccentric Aussie businessman and ex-Sydney Swans owner did well in 2009 at age 66 when he snagged Yank fitness instructor Brynne, who's more than 40 years his junior. The marriage ended in 2014 – for the life of us we can't understand why.

Geoffrey Edelsten & Gabi Grecko

QUICKLY bouncing back, Geoff married Seppo Instagram darling and serial public flasher Gabi, 27, in mid-2015. Sadly, the not-so-happy couple split up four months later. Clearly, Gabi and Brynne don't appreciate classy pensioners like Mr Edelsten!

Stephen Merchant & Christine Marzano

GOD must have pissed himself laughing when he created this goggle-eyed CUNT. And yet the genius behind *The Office* somehow scored a total hottie like Christine, which is a CRIME AGAINST NATURE. Makes us wanna become ATHEISTS.

Geoffrey Arend & Christina Hendricks

SERIOUSLY, how did this MUPPET land a spunk like Christina? It's not like he's loaded or anything – he's just an actor. And yet, somehow, he married the *Mad Men* starlet and now gets to jam his goofy face between her boobs EVERY NIGHT. Unfair!

MODERN women have so much freedom of choice compared to their mums and grandmums. That freedom extends to the bedroom. Aussie chicks no longer need to settle for boring old HETEROSEXUALITY – or go out on a limb and dabble in the love that dare not speak its name (we're mean LESBIANISM). No! In 2016, Aussie babes can cheerfully be BISEXUAL and dine on both furburgers and hotdogs without fear of being made a social outcast. Seems as good a time as any to talk with our Model Cits about what it's like to be proud cock AND cunny munchers!

THINGS THAT LOOK LIKE GENITALS

HERE'S what a real stairway to heaven looks like, says **George of NSW**, who took this pic while walking down (or was that up?) into the pleasure zone!

Send your letters and pics to: The Keeper, c/- *Animal House*, *People* magazine, GPO Box 2860, Sydney, NSW 2001. Or email us at people@bauer-media.com.au (with *Animal House* in the subject line).

EUROSTRALIA

OZ TO WIN!

I RECKON it's only a matter of time before football's European Championship allows Australia to take part, like the Eurovision Song Contest now does. Following in the footsteps of Guy Sebastian and Dami Im, the Socceroos would surely do us proud on the main stage.

Dru, NSW

Nice idea, Dru, and yeah, our boys would do well. Then again, it is nice to be able to watch two European soccer (sorry...FOOTBALL) teams battling it out without having to spend an hour applying patriotic paint. That shit is a bastard to scrub off.

OLD FLAME

HILLBILLY

THAT Hillary Clinton's hot in a weird sort of way. Maybe it's the dominant GILF thing but I'd DEFINITELY give her one. If Bill was OK with it, of course. I wonder if the whole deleted emails controversy was really just an old lady sending dirty letters to her hubby?
El, ACT

We reckon Bill wouldn't care if you chucked one (or TWO) up his missus, El. In fact, he might even join in, cigar in hand! He could give that Lewinsky bird a shout, too, for a foursome in the White House. Or a moresome, if he could convince the Obamas to get down and dirty as well! MMMMMMichelle...

RACK PACKERS

HAVE GUNS, WILL TRAVEL

WHERE'S the best place to find sexy backpacker chicks this time of year? After perving on Model Citizens Katya and Elen (right) in your July 18 issue, I think I might take holidays early and find me some Euro-babes to party with!
Sal, Vic

There should be plenty in the hostels of Victoria, Sal, but if you're out to meet babes in bikinis, then places like Queensland's Airlie Beach may be a better bet. Just don't party TOO hard, eh?

HAIR PLAY

BLONDESHELL

THEY say blondes have more fun, but if we all went for yellow-haired ladies there'd be a lot of lonely brunettes, redheads (and the rest) out there – and I don't think that's right. Guys shouldn't get so hung up on the hair thing.
Gordon, Qld

It's a FAIR call, Gordie. There's much more to a woman than just the colour of her locks, despite that old saying. Might we add, your letter should have been published last issue, which was dedicated to blondes. But it wasn't 'cos we're useless.

CASSIDY BANKS | 22 | DENVER, COLORADO

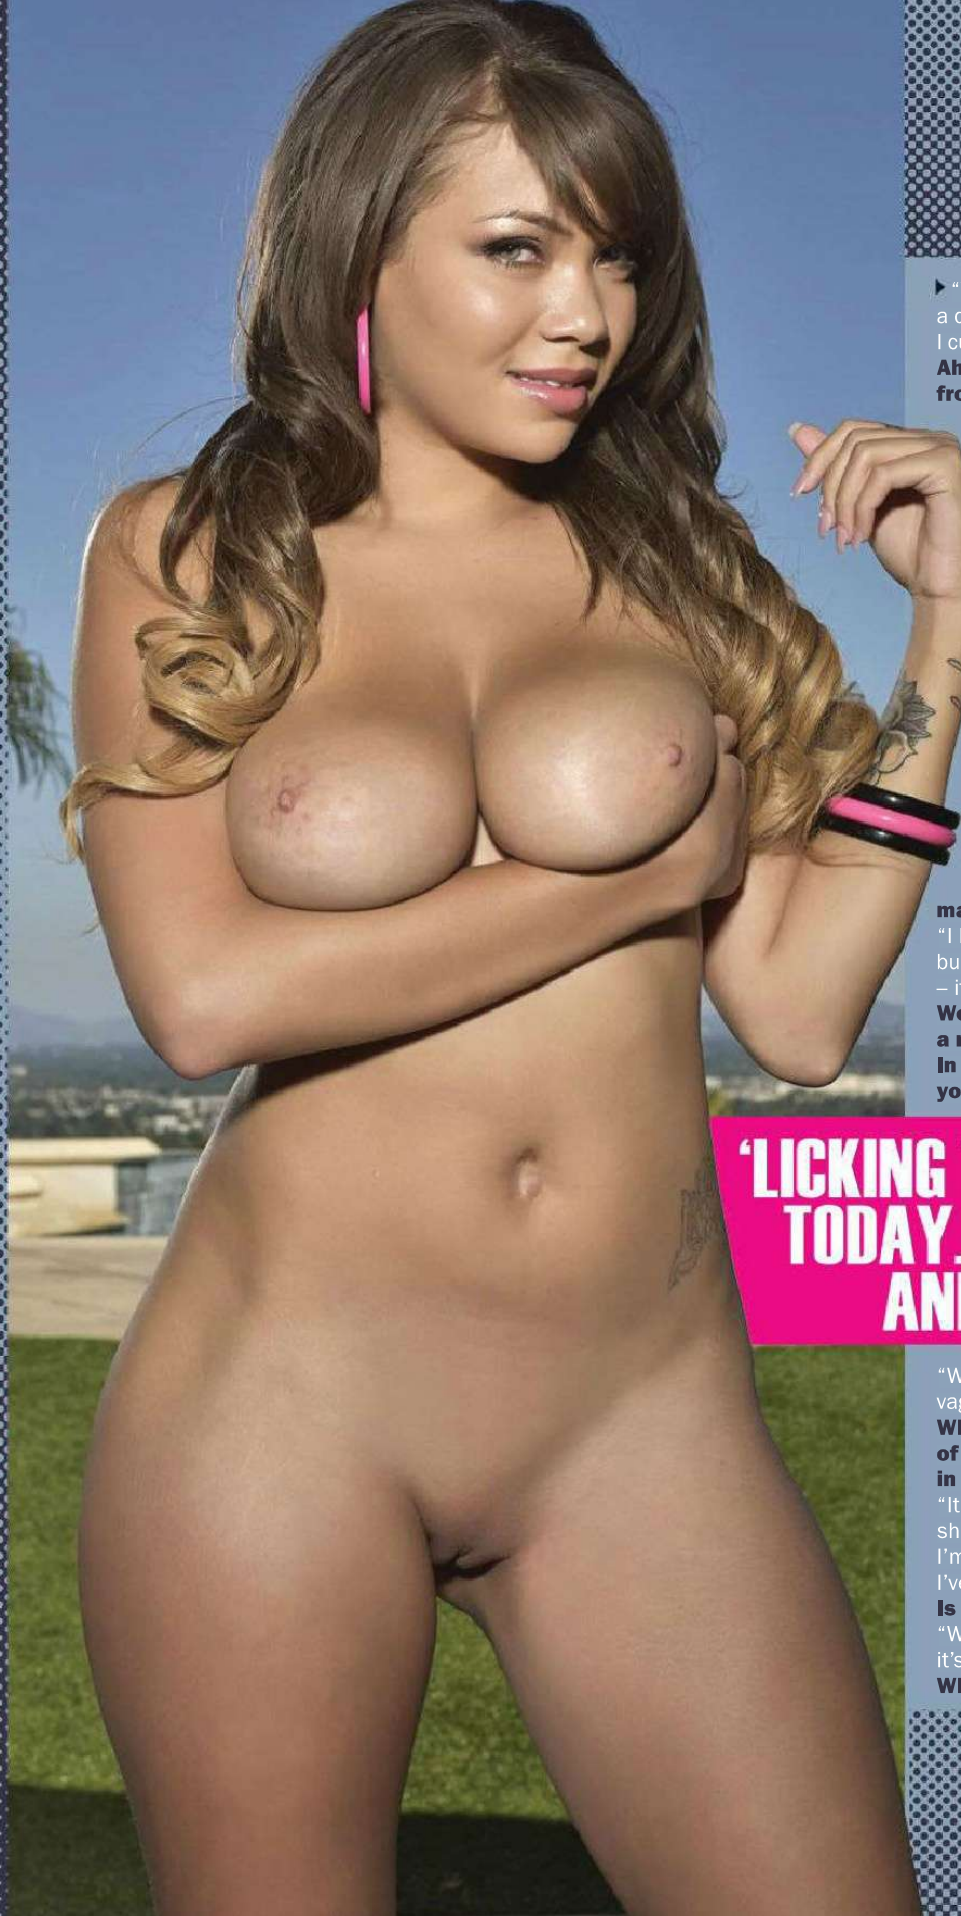
$ANKS TEREST

Tweeting Cassidy will make your lump sum grow!

PHOTOS BY MILE HIGH MEDIA

IF YOU prefer your porn stars drama-free, you'll love **Cassidy Banks**. Born and raised in Denver, the 22-year-old of Puerto Rican ethnicity is great at separating her personal life from her career – except when it's time to BANG, in which case she goes OFF! Cass is a huge Twitter user (@CassidyBanksXO) and, in between the retweets and quoted hip-hop lyrics, her feed is FILTHY AS FUCK, which is why we tracked her down there for this interview.

SOMETIMES it seems like you don't want a fella outside of work, Cassidy...



"What do I need a boyfriend for? I have a dog to cuddle, I pay my own bills and I cum all the time playing with myself."

Ah, yes, we remember your tweet from February 14 to that effect.

"Oh yeah! I wrote, 'Me and my Hitachi are spending Valentine's Day together!'"

There must be plenty of guys who'd volunteer to take its place, though.

"I don't hook up with random guys…I'm a camera slut, that's all."

It sounds like you regularly get recognised in public.

"I went to see *Finding Dory* and, as I'm getting snacks, some guy comes up to me asking if I'm Cassidy Banks."

What's something you look for in a dude?

"Thick is better."

Fair enough. We suspect many men find you intimidating.

"I hope I don't scare guys with my bush. I'm like, 'Keep going south – it's shaved.'"

We're so there, Cassidy! You are a massive fan of the ladies, too. In fact, we busted a gut at one of your recent tweets…

'LICKING TWO VAGINAS TODAY. BREAKFAST AND LUNCH'

"Which was, 'Licking not one but two vaginas today. Breakfast and lunch.'"

What's your honest assessment of the XXX industry and your place in it, mate?

"It takes GUTS fucking on camera and showing the world my body, but I guess I'm good at it. Porn is the hardest job I've ever had to do."

Is there a funny side to the biz?

"When you show up to a porn set and it's the wrong house. Sorry!"

Whoops, indeed!

WE BOUGHT A SHED!

People staffers achieve a lifelong dream!

IT'S been the collective desire of everyone who has worked at *People* Towers in the past 20 years to have our very own SHED, right here in the office.

Because...WHY THE FUCK NOT? So we BOUGHT one – and isn't it BLOODY TOPS, readers?

For only the cost of a couple of pineapples, there's now a place where men (and beaut women, too) can gather away from the prying eyes of the bastard editor, and

- Relax while scratching our balls (or lady balls) and occasionally sniff our fingers afterwards
- Watch the footy on the beaut B&W telly we bought for $30 from dodgy Davo at our local
- Burn snags on our barbecue until the smoke sets off the office sprinklers, AND
- Hide inside when security turn up looking for the IRRESPONSIBLE CUNTS who set off the sprinklers!

We also use it to store STUFF such as the office lawnmower, whipper-snipper, Fleshlight and three-legged guard dog, Brian.

Feel free to come and check it out if you're in the neighbourhood. Just follow the trail of ciggie butts, empty stubbies and dog shit.

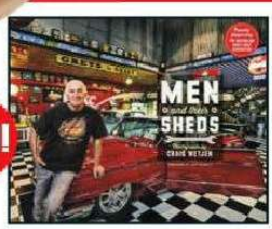
Men And Their Sheds

By Craig Wetjen
Echo Publishing, out now,
RRP: $49.95

What's the guts? As the story above reveals, the need for most males (and some females) to have a shed to call their own is an overwhelming urge. Whether it's a "man cave", "the den" or "that shitty metal box in the backyard", a shed is more than just a place to chuck yer tools. In our chaotic world, it's an oasis of calm where you can escape to enjoy a cold bevvy and a hot copy of *People* mag!

Anything else? Talented shutterbug Craig Wetjen travelled thousands of kays around Oz snapping sheds of all shapes and sizes, and documenting the very special relationship between them and their owners. If his photos don't make you a little emotional, you're probably a heartless bastard who laughed when Bambi's mum copped it.

Final word: Head to the shed!



WIN!

WE'RE giving away THREE copies, thanks to our mates at Echo Publishing. To get yours, **just tell us IN ONE SENTENCE why your shed is your pride and joy.** The three most shed-tastic answers will get a book. Mark your entries "*Men And Their Sheds* comp".

IMPORTANT!
Send entries to: *Win!*, c/- *People* magazine, GPO Box 2860, Sydney, NSW 2001. Entries close 5pm, Friday, September 2.

THE HUNTSMAN: WINTER'S WAR

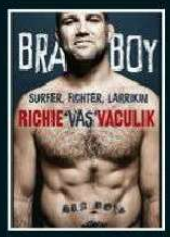
Universal Sony Pictures, rated M, out August 4, RRP: $39.95 (DVD) /$44.95 (Blu-ray)
What's the guts? When evil Queen Ravenna commits a terrible act against her good sister Freya, it causes her to manifest a deadly icy power and flee the kingdom. Years later, Freya builds an impressive army of Huntsmen to take on her bitch of a sibling. Can chief Huntsman Eric and his fellow warrior (and lover) Sara take down the rotten Ravenna?
Anything else? Fans of 2012's *Snow White & The Huntsman* will be keen to see how the story began in this full-on fantasy prequel! Stars from the first film Chris Hemsworth, Charlize Theron and Nick Frost are joined by sexy Emily Blunt and Jessica Chastain.
Final word: Winter is coming... to kick some arse!

THE absolute legends at Universal Sony Pictures have sent us FIVE DVDs for this competition. To enter, **just tell us IN ONE SENTENCE your fave fairytale and why**. The five most fantastical answers will score the DVD edition. Mark your entries "*The Huntsman: Winter's War* comp".

WIN!

Bra Boy

By Richie "Vas" Vaculik with Sean Doherty
Allen & Unwin, out now, RRP: $32.99
What's the guts? Richie Vaculik is a hard man from the mean streets of Maroubra – an MMA fighter, big-wave surfer and member of one of Sydney's most notorious gangs, the Bra Boys – but he reveals his other side in this tell-all autobiography. Richie's fearlessness and loyalty to the Bra Boys saw him get into trouble with the law early on, but he learned to channel that reckless energy into more fruitful areas, eventually landing TV roles and a contract to fight in the UFC!



Anything else? This gripping book is Vas's account of his wild upbringing, which saw him take on authorities, monster swells and hyoooooge beanos without batting an eyelid. It's also a tale of redemption and how he turned his life around.
Final word: A no-holds-barred memoir.

WIN!

THERE are THREE books up for grabs, courtesy of our good friends at Allen & Unwin. To get yours, **just tell us IN ONE SENTENCE the most interesting chest tattoo you've seen and why**. The three best answers will score a book. Mark your entries "*Bra Boy* comp".

Emelie

Eagle Entertainment, rated MA, out now, RRP: $29.95 (DVD)
What's the guts? We were never happy when our parents pissed off for the evening and left us with a babysitter. But we would've been ropable if they'd left us with a fucking psycho, which is EXACTLY what happens in this fillum. Three kids think they've landed the coolest babysitter ever, but when Emelie starts playing twisted party games involving, among other things, a loaded gun...well, their night only goes downhill from there.
Anything else? After the eldest son twigs that Emelie's not the real babysitter (we see HER get bumped off in the opening moments of the movie), it's up to him to fight back and save the children from the insane chick. Easier said than done when you're only 11 years old, but.
Final word: This bad babysitter has blown any chance of getting a tip.

WE HAVE FIVE DVDs on offer, thanks to the good folk at Eagle. To enter, **just tell us IN ONE SENTENCE your best (or worst) babysitting experience**. The five funniest answers will win a copy. Mark your entries "*Emelie* comp".

WALKING down the street, a woman spies a shop doorway she's never seen before. Pinned to the front is a sign: "Clit-licking frog inside".

Checking to make sure no-one's watching, she darts in, only to find a near-empty store.

"Er, can you help me?" she asks the man behind the counter.

He looks up at her and says with a wide grin, "Oui, mademoiselle!"

Fall from grace

A MAN fell off a cliff but saved himself by grabbing a branch halfway down.

"Lord, help me!" he screamed.

The man considered this, then shouted, "Anyone else up there who can help me?"

The leader of the rescue team says, "But Jesus Christ, Rebel...your plane only went down this morning!"

Bugging out

A GIANT moth flies into a psychiatrist's office. The doctor's slightly taken aback but asks the moth to sit down and tell him about his problems.

The moth sighs, "I've lost my zest for life. Things that used to fill me with joy now leave me with an aching absence in my chest, a yawning cavity that holds nothing and says nothing, just an incredible sense of the insignificance of life in general and me as an example of it."

"Hmmmm," says the shrink. "Go on."

"I look at my wife across the table every day at dinner and no longer recognise the woman with whom I fell in love. She's become vapid and shallow. I look at my son and realise I despise him. He holds this mirror up to me, shows me as the mediocre shell I am, spinning my wheels and waiting for the release that only oblivion can bring."

The doctor looks deep into the moth's tortured eyes and feels a mixture of both pity and revulsion.

"I'd really like to prescribe you some antidepressants," he says, "but they're only designed to work on humans. Why did you even come in here?"

Sighs the moth, "The door was open and your lamp was on."

SHORE THINGS

These reality TV yobbos give Geordies a bad name

SINCE 2011, 12 seasons – an eyeball-scouring 102 shows – of the Pommy "reality" TV series ***Geordie Shore*** have been filmed and put to air.

An answer to the hit Yank show *Jersey Shore*, it proved beyond a shadow of a doubt that when it comes to GETTING HAMMERED and MAKING PRICKS OF THEMSELVES, the inhabitants of Newcastle, England, bow to no-one.

It's been so successful that hotels and bars in Newcastle reported a boom in business soon after the first season premiered, with tourists flocking to the joint to get in on the fun.

Now the *Geordie Shore* "heroes" are back for another crack, in all their sweary, knee-trembling, booze-guzzling, bleary-eyed glory.

Filming for season 13 has been underway for the past several months on various Mediterranean holiday islands, where the cast left a trail of empty vodka bottles, discarded underwear and shell-shocked locals in their wake.

You get the impression watching this show that if the Poms hadn't voted to leave the EU voluntarily, the rest of Europe would have given them the bum's rush purely on the basis of the antics of Holly, Chloe, Marnie, Gaz, Marty, Scott, Chantelle and the rest.

Yeah, the names may have changed over the years, but it doesn't really matter.

After a while all the fish lips, fake choozzies, bad tatts and vacant expressions tend to blur together into a disturbingly weird montage.

The big disappointment, however, is the non-return of show stalwart Charlotte Crosby, presumably because her latest round of lip enhancement surgery has rendered her incapable of opening her mouth wide enough to SCOFF DOWN ANOTHER DRINK.

GS stars Marnie Simpson and Aaron Chalmers try to maintain their dignity outside a Newcastle club

Her former on-and-off-screen root Gaz Beadle is back, though, not having missed an ep, even after he was snapped on somebody's phone snorting what looked suspiciously like self-raising flour (but probably wasn't) off the ignition key to his Ferrari.

And of course Holly Hagan – all double F funbags and "totally fake" by her own admission – is still lending her star power to the show, bless her ENLARGED LIVER.

It was her, Chloe Ferry and Marnie Simpson who recently provided the locals outside a nightclub in Corfu with a display of sweaty G-strings, side-boobs, smeared make-up and space-cadet behaviour they'll never forget.

While Chloe stuck her stiletto in her ear and tried to channel Maxwell Smart, Marnie hit the pavement arse-first while negotiating the difficult task of getting in a taxi. Holly just stood there, plastic tits gleaming in the moonlight, nips on high beam and a beatific smile on her face. Or maybe that was just the vodka.

Anyway, there's no sign of this entertainment phenom ending anytime soon, unless every cast member contracts CIRRHOSIS OF THE LIVER or some lethal form of SWEATY CROTCH-ROT.

Even then, you'd reckon they'd probably soldier on. They breed them tough in Newcastle.

LI MOON | 21 | KIEV, UKRAINE

YOU'D be forgiven for thinking she's Chinese or somewhere equally as exotically Eastern, but **Li Moon** is actually from Kiev in the Ukraine. But who gives a flying fuck about geography when all we really care about is the fact she's INCREDIBLY ROOTABLE?

The petite 21-year-old – she's 158cm tall (about 5'2" in the old money) – has only been on the glamma scene for a short while but is already turning trouser-snake heads.

Indeed, online fans are hanging for the day when Li makes the LOGICAL LEAP from nood snaps and the odd striptease video to full-on poles-in-holes porn.

"Can't wait till this little beauty gets hardcore fucked in her pussy and maybe even her butt!" writes one bard of the internet.

For now, though, the 33C-23-34 treasure seems happy simply flashing us her cheeky smile, natural boobs, shaven pussy and FULL MOON.

This is backed up by Euro-porn company WowGirls, which claims the exotic newcomer has told them she won't be doing THE HARDER STUFF anytime soon.

'I HAVE AN ASS TO DIE FOR'

"She is solo model only," writes the spokesperson, breaking the hearts of thousands of one-handed web surfers.

You know what? We're fine with that. If Ms Moon isn't interested in being TRIPLE PENETRATED in 4K Ultra HD, at least we have her beautiful photos to enjoy.

Them and our filthy fantasies.

ME MATE & MARY

MARY had been suggesting a threesome for quite some time so, a week before our anniversary, I asked my old mate Barry if he'd do the honours.

"I've always wanted to root your wife, Bill, but are YOU alright with it?"

Fuck, no, I wasn't – especially after he dropped his daks in front of my lady. His cock was bloody MASSIVE and Mary's eyes lit up like she'd found a pot of gold.

Nervously I joked, "I thought Irish blokes had small dicks, Barry!"

"Not this one," he replied with his eyes squarely on Mary's mams.

She told me to strip off, so I quickly turned on some Cold Chisel, passed Baz a beer and got into my birthday suit.

My nerves settled the second Mary had my bald man in her mouth. I grew hard in a couple of seconds and watched as she gave it a good shining. Baz was underneath Mary at this point, eating her out like a beef and Guinness pie.

I could tell she was just being polite by starting with me. She was keen as mustard to get her hands on Baz's monster meat.

My missus sat and wanked me off with her left hand while gobbing Baz till he was stiff with her right.

"Mmmmmmmmm…WOW!" she gasped, staring at his tool in all its glory. "Come on then, let's see what it can do."

'HE REALLY GAVE HER SNATCH A HAMMERING'

We manoeuvred Mary around and I found myself back in her mouth while Baz slowly pushed and shoved in his oversized pecker from the rear.

She squealed as my best friend slid with some difficulty all the way to the hilt, then her cries got louder as he picked up the pace and REALLY gave her cunt a hammering.

Suddenly Mary had a mighty orgasm, which was followed by me spurting a spoonful down her throat and Baz pulling out before showering a geyser of ball-sauce on her back.

She made us do her again before I showed Baz the door, then I gave her one final anal anniversary root from me!

BEAUTY & THE BUSH

I'LL ONLY root chicks with vadge hair. It makes things a bit tricky, since most under the age of 30 shave their pussies, so recently I tapped into the online market and hooked up with some 40+ ladies. My last experience was with a 51-year-old Melburnian visiting Sydney for the weekend.

After I'd treated her to a home-cooked meal, we hopped in the shower and she let me eat out her hairy snatch for a solid halfie.

I carried on with the oral in the bedroom and made Jo SWEEP OUT THE STABLE twice before she gave me a sloppy blowjob in return. After that, she destroyed my RAMPAGING ROD OF TRUTH like only an experienced MILF can.

'SHE ROOTED LIKE ONLY AN EXPERIENCED MILF CAN'

Other than the hairy bush factor, the OTHER thing I love about older birds is their can-do attitude in bed. And Jo really COULD DO IT ALL! She knew her sexual shit.

Jo now visits Sydney several times a year and we always catch up for a full day of indoor activities, bumping uglies like you wouldn't believe.

Yeah, I think women my own age have been wrongfully written off. Shame, isn't it?

HORNY HOTEL

ONE night a year my wife Kat and I hand the kids over to my folks, then get a hotel room.

It'll be nothing swanky, just a four-star hotel where we can root in peace. followed by a nice continental breakfast.

Our most recent special night was the best one yet. Not only did Kat get us an upgrade with a fine flash of boobies, but I managed to fire three spoof-loads away before daybreak.

When we first got in the room I was busy checking out the fancy toiletries when Kat yelled, "I have a surprise for you this year, Bob."

I love surprises but when she showed me a big black dildo I didn't know what she had in mind! She smiled, "You don't want to share me, but I want two dicks…so how's THIS for a compromise?"

'SHE SLID THE PRE-LUBED DILDO UP HER PUSSY'

Before I could answer she slid the pre-lubed dildo up her pussy and invited me to plough her arsehole.

"Come on then, stud" she commanded. "Get your fat dick in my back passage!"

I was naked in seconds and scrambled onto the bed to get a real good possie behind Kat. Her butthole was greasy but still so tight I spat my muck-mayo straight away. I could've wept.

Not wanting to see me disappointed, she fucked herself with the dildo for 15 minutes till I was hard again, then I pounded her poop chute for a solid 10 minutes. This climax was even more intense than the first one.

We snoozed for a bit before Kat woke me up, cleaned my tool with a washcloth, then eased her pussy onto my stiffy, before riding me all the way to orgasm No. 3.

I recommend EVERY couple go away for regular dirty weekends. It helps keep your marriage alive.

PORNO VIDEO NASTY

HAVING sex with an X-rated flick running in the background is a long-time fantasy I recently got to live out. It wasn't planned either; just a question asked to a voluptuous blonde at 1am who was game for a new experience.

I'd met Ange earlier that night and I found her VERY intimidating. She was a big-titted blonde with thick red lipstick like the chicks in that 1980s *Addicted To Love* music video clip.

We'd drank heaps and she talked frankly about her sexual experiences. It seemed like she done EVERYTHING.

"What about getting fucked while watching a porn flick?" I blurted out.

"Nah, I've never done that," Ange said. "Why, you keen?"

At that point I had to shyly confess I had a stash at home, but she was way more into it than I expected, so off we went back to mine.

I tidied my bedroom as best I could before ushering her in. I then popped on my favourite, Jenna Jameson's *Flashpoint*.

"Oooooh, I love her," smiled Ange, and with that she quickly unbuttoned her top and let me go in for my busty prize. Having fully explained my fantasy in the taxi, Ange let me sit with my back to the wall as she eagerly climbed onto my baby-maker, so I could see the telly.

'ANGE EAGERLY CLIMBED ONTO MY BABY-MAKER'

After a bit, I got more into what Ange was doing than the on-screen action.

My eyes locked onto her beautiful bosoms swaying above me.

I eventually blew my wad and Ange collapsed on top of me, after reaching her own orgasmic moment. We got under the covers and watched the rest of the film while fondling each other!

"Slap it, don't tap it! Tapping's for pussies."
Yeah, but we LOVE pussy.
"There's something oh-so-sexy about having my butt slapped during doggy-style fucking. Like the man's telling you he appreciates your backside."
Well, you have quite the derriere! Anything else you like back there?
